Dear Bob and Ken,

Over the years we have worked together on many projects. All of these projects were a great success for W.E. Bowers. These projects were all fast tract and difficult. Without Williams Notaro attention to detail, team spirit and hard work, they would not have been a success.

We look forward to working with your firm in the near future. Please do not hesitate to call us on for any of your projects.

Sincerely,

W.E. BOWERS AND ASSOCIATES, INC.
