Dear Bob,

I would like to take this opportunity to express to you how pleased we are to have had the opportunity to work with your firm.

The attention to detail exhibited by the staff at WNA is top notch and certainly makes our job as general contractors easier and more profitable. We have completed many projects that have been engineered by WNA and have found every plan to be complete and accurate.

I hope we have the opportunity to work together on many projects in the future. Good luck to you and the staff at WNA.

Sincerely,

Howard Chapman
Vice President, Project Management
